MEMORANDUM FOR: Director of Personnel

THROUGH: Deputy Director for Administration

FROM:   
Director of Finance

STAT

SUBJECT: Overseas Pay Schedules

1. Action Requested: Designation of Finance Assistant as an occupational category qualifying for overseas pay benefits.

2. Background: The Office of Finance (OF) recently embarked on a career development program which precludes employees from obtaining professional status within the MF Career Subgroup prior to meeting the following standards:

- ° College credit for Accounting I and II; and
- ° Promotion to GS-10.

Adhering to this program will require that prior to achieving professional status all Finance Officers will carry the designation of Finance Assistant as an integral part of their normal progression within the MF Career Subgroup. At present, there are  overseas positions to which MF Careerists designated as Finance Assistants may be assigned. The exclusion of MF Careerists currently designated as Finance Assistants from consideration for these  positions would adversely impact the OF's ability to fill  percent of our overseas positions as follows:

STAT

Our need for retaining the capability of assigning Finance Assistants to overseas positions is based on the above along with the pre-employment commitment made by all MF Careerists to serve overseas as dictated by the needs of the MF Career Subgroup.
